Manzil is an upscale boutique hotel for the urban travellers and the culturally attuned. It continues the tradition of Arabian friendship – a home away from home in which comfort, convenience and informality is emphasized. A traditional exterior contrasts with the beautifully modern interpretation of Arabian themes in the interiors.

At Manzil Downtown Dubai, the essence of Arabian hospitality is expressed in every detail. Modern, minimal and adorned with Arabian design cues – Manzil Downtown Dubai is a blend of old and new – luxurious heritage fashioned to suit the needs of the modern guest. 197 guest rooms feature subtle Arabian motifs – an acknowledgement of the past within a technically advanced environment.

It features a host of recreational facilities, both within the hotel and in the nearby complex. The outdoor pool and pool deck offer a cooling respite. The fitness center features aerobic, cardiovascular and weight training equipment with LCD screens for entertainment during your workout.

Manzil Downtown Dubai is designed to serve both the leisure guest and business traveler. The Business Centre is open 24 hours a day and provides comprehensive support through WiFi networks, secretarial services and state-of-the-art serviced meeting rooms. The hotel features three meeting rooms, with natural daylight, each measuring 45m2. Two of the rooms can be merged into one, hosting up to 136 delegates in theatre style seating. A further 10 seat boardroom is also available to guests.

Manzil Downtown Dubai offers a choice of delightful dining options.

**Boulevard Kitchen** is the signature restaurant serving Levantine cuisine in a contemporary Arabesque environment.
